

12) What criteria do you look for in an applicant?

We look for original, well made art. We also look for someone who can work well with the cooperative members, has the ability to sell other artisan's work, has initiative and will bring both personal and professional skills to the shop.

13) How much space will I get? And do I need to bring something to display my art?

We have had no hard and fast rule about space. We try to be fair and will ask some to remove some items if it is felt those members are taking up too much space. Many artisans have their own display cases. If you have something and it is suitable you may use it. We have purchased some display items for the shop.
